UK weather warnings - Met Office

Date on which a security is issued. In case of a bond, the date from which a bondholder is entitled to receive interest irrespective of the date the bond was purchased or delivered. See also dated date.

Welcome to FBI FBI

Further details. Widespread icy patches will develop on untreated surfaces Sunday evening and night. Wintry showers will also continue through Sunday evening and night onwards into Monday morning, especially over Scotland and Northern Ireland.

What is issue date? definition and meaning ...

Washington, D.C. Speaker Nancy Pelosi, Majority Leader Steny Hoyer, Majority Whip James E. Clyburn, Assistant Speaker Ben Ray Lujan, Caucus Chairman Hakeem Jeffries and Caucus Vice Chair Katherine Clark issued this joint statement condemning anti-Semitic comments made over Twitter by Congresswoman Ilhan Omar:

Arrest warrant issued for St. Louis police chaplain ...

A government-issued photo ID allows a person to verify that he is who he claims to be. Although the types of ID come in different forms, many types of government-issued ID are deemed as acceptable by government entities such as the Transportation Safety Administration, police and other law enforcement officials.
